Full text of<br>Ministry of Edu<br>Indigenous Peop<br>09400244502; to | 20 articles adopted and issued jointly on 1 September 1999 Education Order No. Tai-San-Zih-88107008, Council of les, Executive Yuan Order No. Tai-Yuan-Min-Jaio-Zih-enforced from the date of issuance.  13 articles amended and issued on 13 September 2005 per cation Order No. Tai-San-Zih-0940111851C; Council of les, Executive Yuan Order No. Tai-Yuan-Min-Jaio-Zih-be enforced from the date of issuance.  Article 5, promulgated on 4 August 2014   |
| Content:     | Article 1  | Said implementation procedure is established in compliance with section 34 of the Education Act for Indigenous Peoples (hereafter referred as EAIP).  |
|              | Article 2  | Indigenous peoples ethnic education measures and activities should be implemented consistent with indigenous peoples history, language, art, and living customs, social system, ecology utilization, and value system.  |
|              | Article 3  | The term indigenous priority school in section 4, paragraph 6 of EAIP refers to schools in indigenous region with indigenous students over 1/3 of total students, and to schools in non-indigenous region with the number of indigenous students more than 100 or over 1/3 of total students, which case to apply is affirmed by Educational Administration.  |
|              | Article 4  | The central government flexible budget scale stated in EAIP Section 9 paragraph 1 refers to the budget allocation method and proportion. The central executive education authority should meet with the central indigenous peoples affairs authority to determine said budget allocation.   |
|              | Article 5  | The term "indigenous children" used in Article 10, Paragraph 2 of the Act refers to persons aged at least 2 years old on September 1 of the school year in question who have not yet entered elementary school.  The method for the preferential allocation of places to indigenous children stipulated in Article 10, Paragraph 2 of this Act is as follows:  1. If the combined number of indigenous children and any other children who are legally entitled to preferential allocation of a place does not exceed the admission quota of a particular public preschool, non-profit preschool, or community or tribal cooperative educare service center: all the children may be admitted.  2. If the combined number of indigenous children and any other children who are legally entitled to preferential allocation of a place exceeds the admissions quota of a particular public preschool, non-profit preschool, or community or tribal cooperative educare service center: in keeping with the principles of fairness, impartiality, and full disclosure, which of the eligible children will be admitted shall be determined by a drawing of lots; the time and place of the drawing shall be publicly announced beforehand. |

| Article 6  | Regarding the fulltime guidance counselors stated in EAIP Section   |
|------------|---|
|            | 12, a selection priority is given to college graduates; position  |
|            | should be filled by native indigenous peoples.The local executive   |
|            | education authority should regularly conduct living guidance and  |
|            | skill seminar to the foregoing employees.   |
| Article 7  | The indigenous peoples ethnic education provided in EAIP Section  |
|            | 14 paragraph Ishould be diversified, formal education, as a rule.   |
|            | Related subjects and other education activities relevant to   |
|            | indigenous peoples ethnic culture may be taught as supplementary  |

|            | stated in EAIP Section 14 paragraph 1should be established as   |
|            | independent units; organization of integrated classrooms with   |
|            | neighboring schools may be effected if necessary.   |
| Article 8  | The indigenous peoples ethnic education resource center stated in   |
| Alticle 6  | EAIP Section 15 has the following missions:   |
|            | A. research, development, and promotion of indigenous peoples   |
|            | ethnic education curriculums and teaching;  |
|            | B. collection, compilation, exhibition, and promotion of  |
|            | indigenous peoples ethnic education related articles and  |
|            | information;  |
|            | C. indigenous peoples ethnic education consultation and guidance;   |
|            | D. indigenous peoples ethnic education teaching assistance;   |
|            | E. other indigenous peoples ethnic education related assistance.  |
| Article 9  | As provided in EAIP Section 21, the government, in providing  |
| Alticle 9  |   |
|            | indigenous students taking preschool and public school education  |
|            | the opportunity to learn their ethnic language, history, and  |
|            | culture, should plan, assist, and supervise the class schedule arrangement and teaching procedure of preschools, public |
|            | elementary and high schools.  |
| Article 10 | Schools, as provided in EAIP Section 20, should respect the   |
| Mittere to | opinion of indigenous peoples during indigenous peoples ethnic  |
|            | education curriculum development and textbook selection, therefore  |
|            | the government should hold public hearings, seminars,   |
|            | questionnaire surveys, and interviews for said purpose.   |
| Article 11 | AEA Section 23 provides that the following regulations should be  |
| MITTOTO II | observed in the education of potential teachers for indigenous  |
|            | peoples ethnic education:   |
|            | A. Municipality and county (city) governments should prepare the  |
|            | local annual indigenous peoples ethnic education potential teacher  |
|            | quota based on actual requirements and submit proposal to the   |
|            | central aborigine affairs authority for inclusion into the  |
|            | potential teacher cultivation program planning.   |
|            | B. The central indigenous peoples affairs authority should meet   |
|            | with the central executive education authority to evaluate the  |
|            | foregoing requirements and negotiate with teacher colleges or   |
|            | universities and indigenous peoples colleges to determine the   |
|            | quota of government-subsidized and self-paying aborigine student  |
|            | quotas.   |
|            | C. Upon the acquisition of their professional eligibility   |
|            | licenses, government-subsidized aborigine ethnic education  |
|            | students should be assigned to various schools as provided in the   |
|            | quota allocation of municipalities and counties (cities) for the  |
|            | fulfillment of their service obligations.   |
