Educare service institutions shall be prohibited from borrowing the educare certificates or credentials of preschool educators not in their employ; preschool educators shall be prohibited from offering or lending their educare certificates or credentials to others.

Article 33

Preschool educators shall not impose physical and mental mistreatment, corporal punishment, bullying, sexual harassment, improper discipline, or any other acts of physical or mental violence or improper behavior on children.

Preschool educators shall report cases in accordance with Article 15 to the municipal or county (city) competent authority no later than 24 hours.

When the municipal or county (city) competent authority is informed of a possible incident referred to in Article 12, Article 13, Paragraph 1 of Article 14, or Paragraph 1 of this Article involving a preschool educator, it shall within two working days turn over the case to a dedicated committee for investigation and handling. In addition, it shall notify in

writing the offender and the legal representative or current care givers of the child involved of its handling conclusion, facts established, and grounds. However, the Teachers' Act and relevant regulations shall apply to preschool teachers of affiliated preschools of public schools.

The committee referred to in the preceding Paragraph shall be composed of representatives of the competent authority, educare and child welfare associations concerned with child protection, preschool educator associations, associations of other personnel, parent associations, and relevant scholars and experts. Regulations regarding the committee formation, investigation and handling procedures, and other relevant matters shall be stipulated by the central competent authority.

The offender and relevant persons of the educare service institution shall cooperate with the investigation referred to in Paragraph 3.

Article 34

Preschool educators are required to participate in at least 18 hours of professional educare competence training every year; the regulations of implementation shall be stipulated by the central competent authority. New preschool educators in educare service institutions shall complete at least 8 hours of basic cardiopulmonary resuscitation training within 2 years before their employment or 3 months upon the start of their employment. At least 3 hours of classes related to gender equality and labor rights, at least 8 hours of cardiopulmonary resuscitation training, at least 3 hours of courses on safety education, and at least one emergency drill shall be undertaken every two years during their period of employment. The municipal or county (city) competent authority shall conduct training, courses, or drills, on at least a quarterly basis, and educare service institutions shall provide assistance.

The in-service training described in the preceding Paragraph for every two years during the period of employment, with the exception of gender equality classes, may be counted towards professional educare competence training.

Article 35

Preschool educators shall maintain confidentiality with regard to information pertaining to children. However, information where parental or guardian consent is given or required by other legal provisions shall not be subject to this restriction.

Article 36

Competent authorities at all levels shall collect, handle, use personal information and establish a database of preschool educators in order to understand and plan for the quota or employment of educare service institution personnel.

Article 37

The municipal or county (city) competent authority shall grant incentives to preschool educators for outstanding performance. The self-governance laws and regulations regarding incentives, subjects, categories, and methods shall be stipulated by the municipal or county (city) competent authority.

Chapter 5 Appeals and Dispute Settlement

Article 38

Public preschool educators' appeals and dispute settlement shall be in accordance with the following regulations:

1. In the case of preschool principals:

(1) The Teachers' Act shall apply to current preschool principals.

(2) The Labor Standards Act, Act for Settlement of Labor-Management Disputes, and Act of Gender Equality in Employment shall apply to preschool principals who are currently contracted as educare givers.

2. In the case of preschool teachers: The Teachers' Act shall apply.

3. In the case of educare givers and educare assistants contracted in accordance with the Labor Standards Act: The Labor Standards Act, Act for Settlement of Labor-Management Disputes, and Act of Gender Equality in

Employment shall apply.

4. In the case of personnel excluding those referred to in the preceding 3 Subparagraphs: The relevant laws and regulations shall apply.

Article 39

The appeals and dispute settlement of preschool educators in private educare service institutions shall be in accordance with the Labor Standards Act, Act for Settlement of Labor-Management Disputes, and Act of Gender Equality in Employment. However, for kindergarten teachers for whom the relevant regulations of the Teachers' Act are applied prior to December 31, 2011, the Teachers' Act shall still apply.
