Content:	Article 1 This regulation is promulgated according to Article 25 of the University Act, Article 26 of the Junior College Act, Article 4-1 of the Vocational Schools Act, Article 3-1 of the Senior High School Act, and Article 6 Paragraph 3 of the National Education Act.	

An individual of foreign nationality, who has never held a nationality status from the Republic of China and who does
not possess an overseas Chinese student status at the time of his/her application, is qualified to apply for admission
under this regulation.
An individual of foreign nationality, pursuant to the
following regulations and who has continuously stayed
overseas for no less than 6 years, is also qualified to
apply for admission under this regulation. However, an
individual who plans to apply for study at a department of
medicine, dentistry or Chinese medicine must have
continuously stayed overseas for a period no less than 8
years.
1. An individual who has a nationality status from the
Republic of China at the time of his/her birth but does not
hold a household registration must state this on his/her
college application.
2. An individual who has had nationality status from the
Republic of China but has no R.O.C. nationality at the time
of his/her application shall have an annulled status
regarding his/her R.O.C. nationality for no less than 8
years after an annulment of his/her R.O.C. nationality by
the Ministry of the Interior.
3. Regarding individuals mentioned in both of the above
subparagraphs, they must not have studied in Taiwan under
the status of an overseas Chinese nor received placement
permission for an academic school year by the University
Entrance Committee for Overseas Chinese Students.
According to the Education Cooperation Framework Agreement,
a foreign national who was selected by a foreign
government, organization, or school, and does not hold a
household registration from the time of their birth is not
subject to the limitations as prescribed in the preceding 2
paragraphs after receiving the approval from the designated
authorized government educational institutions.
The six and eight year calculation period as prescribed in
Paragraph 2 shall be calculated from the starting date of
the semester (Feb. 1st or Aug. 1st) as the designated due
date for the time of study.
"Overseas" as prescribed in Paragraph 2 is limited to
countries or regions other than Mainland , Hong Kong and
Macau; the term "continuously" means that a individual
may stay in for no more than a total of 120 days per
calendar year.
An individual, who has both foreign and R.O.C. nationalities and has applied
for an annulment of his/her R.O.C. nationality before Feb. 1st, 2011, the
effective date of this amendment, is then qualified to apply for admission under
the original regulation as an international student and is not subject to the
limitation as prescribed in Paragraph 2.

Article 3	Upon completion of the course of study, at a school in Taiwan, to which an international student has applied, the student's admission to higher academic levels shall be handled in a manner identical to the procedures of admission for local students, except that an application for master's degree or higher level of graduate studies can be processed under the rules of each individual school.
Article 4	The quotas for admission allocated for international students at universities, two-year technical colleges (hereinafter referred to as "Universities/colleges"), five-year technical colleges, subsidiary technical colleges of universities, senior high schools, and private junior high and elementary schools should be no more than ten percent of the number of positions allocated for these schools for local students each year. The number should be calculated into the total number of positions at each school, yearly and reported to the designated authorized government educational institutions for ratification. If the quotas for admission, which have been allocated for local students have not been filled, a university/college may give the quotas to international students according to the total number of designated yearly positions that are open for international students. The quotas for admission, as prescribed in Paragraph 1, do not include international students with a non-degree status.
Article 5	Universities/colleges are responsible for establishing international student recruitment regulations upon the approval of the Ministry, and creating a set of entrance rules according to the regulations that outline the degree programs offered, quotas for the admission, qualifications and requirements, means of reviewing or screening and other related information.

Article 6	International students applying for admission to a
	university/college shall submit their applications directly
	to the school of their choice during the school's
	designated application period. Those applicants found
	qualified through a review or screening process will be
	granted admission by the school. The following documents
	shall be submitted:
	1. Application Form
	2. The highest-level certificate or equivalent academic
	attainment and transcript issued by an international
	education institution (A copy of the translation in Chinese
	or English is necessary if the original diploma is in a
	language other than Chinese or English), which must be
	authenticated by a ROC embassy, consulate, representative
	office or other agencies authorized by the Ministry of
	Foreign Affairs (MOFA), Taiwan, ROC., (hereinafter referred
	to as "a Taiwan's overseas representative office") or
	presented by the applicant's former school, which is to be
	directly mailed to the intended institutions in a sealed
	envelope.
	3. Validated financial statements by financial
	institutions, also mailed directly to the intended
	institution in a sealed envelope, indicating that
	sufficient funds are available to support that applicant
	during his/her stay in .
	4. Other documents as required by the university or
	college.
	The highest-level certificate or equivalent of academic
	attainment issued by an international education institution
	as stipulated-above in Subparagraph 2 of the preceding
	paragraph, must be in accordance with the MOE "Regulations
	Regarding the Assessment and Recognition of Foreign
	Academic Credentials for Institutions of Higher Education"
	except for those issued by Taiwan's overseas educational
	institutions.
	In the event there is any doubt regarding the documentation
	of any international documents as being unauthenticated by
	one of Taiwan's overseas representative offices in
	Subparagraph 2 & 3 of Paragraph 1 during the evaluation
	process of applications from international students,
	schools may require that these international documents be
	authenticated by one of Taiwan's overseas representative
	offices; schools may apply to a Taiwan overseas
	representative office for evaluation assistance regarding
	documents to be authenticated by one of Taiwan's overseas
	representative offices.

Article 7	An international student who has completed a bachelor's degree or higher degree in and who applies for a master program shall be exempt from the rules listed in Article 6, first paragraph, item 2, provided that a graduation certification and transcript for each consecutive semester issued from the institutions in are enclosed. International students who have graduated from schools that enroll foreign residents in , or from bilingual programs affiliated with local high schools must submit graduation certificates and transcripts for each academic semester to apply for admission under Article 6, and are exempt from the rules listed in Article 3 and Article 6, paragraph1, items 2.
Article 8	Universities/colleges shall prepare a roster of admitted and registered international students, and shall submit it to the MOE for acknowledgement by November 30th of each year. The roster shall include the student's name, nationality, class standing, field/department, or graduate school to which they belong. In addition, the roster should also identify the recipient of the Taiwan Scholarship and or other scholarships sponsored by the Ministry.
Article 9	International students may not apply for bachelor programs designed for returning education students, part-time, in- service courses of Master programs, or other programs, which are restricted to night classes and classes during holidays. International students who have received an Alien Residence Certificate, Permanent Residence Permit, or are enrolled in an international program, which is ratified by this Ministry, are exempted from this Article.
Article 10	While an international student who has been admitted to a university, college, senior high school or private junior high school and has arrived at the campus after less than one-third of the first semester has passed is allowed to enroll for the first semester. If the student arrives at the campus after more than one-third, he/she will only be allowed to enroll for the second semester.

Article 11	International students who are approved for an internship after graduation in by designated authorities may afterwards extend their international student status for no more than one year after graduation. During the course of study in , international students, who are approved for initial household registration, resident registration, naturalization or restoration of their R.O.C. nationality, will lose their international student status and shall withdraw from school. International students who withdraw from university/college after admission due to behavior issues, poor academic performance or a conviction under the Criminal Code may not thereafter apply again for admission under this regulation. The transfer of an international student from one school to another school shall be regulated and handled by rules of the individual institutions.
Article 12	Upon the condition that it will not interfere with their normal educational activities, universities/colleges may sign agreements for academic cooperation with foreign schools. This allows the schools to recruit and accept international students as exchange students or part-time, using the current international student enrollment procedures.
Article 13	All levels of schools that plan to establish a special program for international students in response to an International Academic Cooperation Scheme or to work with students with special needs must file an application with the MOE for ratification in accordance with the regulations regarding the Student Admission Quotas and Resources.
Article 14	In order to grant support to outstanding international students at universities/colleges, the Ministry shall set up or subsidize the universities/college to set up international student scholarships. Universities/colleges shall set up scholarships or assistant financial aid at their own expense to encourage international students to study in .
Article 15	Universities/colleges shall designate units or personnel to take responsibility for handling international student applications, consultation, liaison, and other related matters. In addition, these units or personnel shall reinforce the arrangement of home stay for international students, and assist them to learn the language and culture in order to improve their knowledge of this country. Universities/colleges shall host such activities as to foster international exchange, globalization on campus, or other events, which will be helpful to the interaction between international and local students from time to time, during each academic year.

Article 16 Junior high schools, senior high schools, 5-year colleges, junior colleges affiliated with universities (hereinafter referred to as "secondary educational institutions") and elementary schools shall make proposals for admitting international students to study in , except for the admission of those who hold a legal residence status in pursuant to Article 19. Such proposals shall be submitted to designated authorized government educational institutions by November 30th of each year; and only after approval, will admission be granted. Authorized government educational institutions within municipalities and counties/cities shall submit their individual school rosters, which have been approved for granting student admission, to the MOE for filing by December 31st of each year. The foregoing proposals shall include the establishment of International Student Affairs offices, the facilitation of Mandarin language and culture enrichment programs, and accommodation arrangements for international students. The nationalities and the quotas for the admission of international students as stipulated in Paragraph 1 shall be specified, if necessary, by the Ministry of Education (MOE) after its consultation with the Ministry of the Interior (MOI) and the Ministry of Foreign Affairs (MOFA). Secondary educational institutions or elementary schools may admit international students for short-term study in for less than one year, with the approval from designated authorized government educational institutions.
